MAPS/CIR/2021

1.01.2022

Dear Parents

Greetings!

With reference to the circular from the Directorate of Education dated 31/12/2021 regarding vaccination of students of age-group 15-18 years, we are pleased to inform that as per the directions received, our school is the Self COVID Vaccination Center for our students on 4 January 2022. A **vaccination drive is being organized on Tuesday, 4<sup>th</sup> of January from 10:00 am to 3:00 pm** in the school premises for the age-group of 15-18 years.

We entreat you to avail this opportunity to get your ward vaccinated. Please note, **registration on COWIN Portal is not required and the vaccination is free of cost.** Kindly refer to the school circular dated 31 December 2021 for important guidelines related to the vaccination.

With COVID and Omicron cases on the rise and the third wave seemingly imminent, we are sure you are as concerned as us about protecting the children from these deadly diseases and realize the urgency for the vaccination.

We once again urge you to utilize this opportunity to protect and safeguard your ward.

Looking forward to your enthusiastic and wholesome response.

Regards

Alka Sahani  
Principal
