

EVS Week Activity

Class 2

(9.11.22-15.11.22)

‘The science of today is technology of tomorrow.’

-Edward Teller

Class 2 conducted EVS week on the topic ‘The way I travel’. Various activities were conducted to introduce different modes of transport and create transportation artefact. Field trip (virtual), Vocabo Mania, Transportation Stem Activities (Transit Time), Trip on a Zebra, etc were conducted. Kids developed vocabulary skills, kinesthetic skills, imaginative skills, discovery, learning by doing and creative skills. It was a great competent for our scholars.
