

On 10th May'19as per Student leadership Program, students of class CAM 8 under the guidance of Mrs. Shalu Gupta, conducted their class assembly on the theme IMPORTANCE OF SPORTS. The main motive of the assembly was to create awareness and make everyone realize that Learning to play sports as a child might carry over into being a more active adult. For children, playing sports can help develop friendships cantered on healthy, safe and enjoyable activities. Team practice and competitions provide socializing options that are healthier and more active compared with regular sessions of other more sedentary activities. The same message was well floated among learners and parents in the form of a street play and song. Adding further, informative details were sharedabout Thalassemia by Ms.Ritu Gupta, Primary Wing Coordinator. To motivate further a quiz was organized, followed by a brain storming session for parents to solve the puzzle on famoussportspersonalities. To encourage the independent learners,blessings were showered on Academic achievers by Respected Principal Ma'am, Vice Principal ma'am and Cambridge Administrator.

Blessings to all academic achievers by Respected Principal Ma'am. Vice Principal Ma'am & Jharna Ma'am.
