

BLADES AND SPADES

29 October 2022

The students of Classes IX-XII had the opportunity to hone their oratory skills at 'Blades & Spades' a yearly school event organized in the school premises.

The competition is adjudged by former students who are delighted to be a part of the event. In its fourth year this time, the event not only witnessed participation from the students of MAPS but some teams also brought in teammates from other schools across the city.
