

Fit India Movement

In order to support the commendable initiative 'Fit India movement' launched by our Hon'ble Prime minister, students of classes VI-XII participated in Marathon, Kite flying and Tossing the stone game respectively. The Marathon was flagged off by Senior coordinator

Ms. Bhawna Bansal. The zeal and enthusiasm encouraged the students to complete every activity energetically. It was a sight to watch students completely engrossed in kite flying and playing forgotten games like tossing the stone hence rejuvenated themselves. This is mainly to encourage mass participation and to instil values of promoting good health amongst students, teachers and community through mentioned programme.
