“SELF BELIEF AND HARDWORK WILL ALWAYS EARN YOU SUCCESS”

The starting point of all achievement is desire. If one has the desire to succeed, one surely will. With this in mind and to boost the morale of the students, the Annual Felicitation Ceremony for the Session 2021-22 was conducted on November 9, 2022 to honour the achievements of meritorious students of grade IV on the theme “QUALITY EDUCATION”. It was the time to applaud and reward the students for their sincere efforts during the previous academic session. The school honoured all its achievers for having attained a sterling record.

It was a formal ceremony which was presided over by honourable principal madam Ms Alka Sahani, all the coordinators and attended by parents, teachers, and students. The ceremony started with invoking the blessings of the almighty. Our Principal and the coordinator lit the lamp before the picture of Goddess Saraswati and were given planters as a token of gratitude. It was followed by the school's achievements which took everyone on the cloud nine. We also had the school song sung by the choir and dance performance on an inspirational song by the students. In between the event, the award ceremony took place. It was held amidst much joy, cheer and applause as the beaming students from grade IV received their merit certificates. The students also depicted the importance of Quality Education through a nukkad natak which filled the ambience with their loud claps and voices.

People enjoyed this cultural programme a lot with loud clapping. At the end, everyone congratulated the achievers and appreciated the efforts of the school management, teachers, students and parents. Principal Madam advised all the students to work harder in life to get sure success. She also motivated the winners to go ahead to achieve their heart's desire –whatever that may be. She went on to remind them to continue to uphold the values that are such an integral part of the institution. She appreciated the efforts put in by the students and the faculty for their overall performances and wished for them to come through with flying colours in future too.

It was indeed a proud moment not only for the recipients of the awards but also for their Parents who had been invited to partake in the glory of their child's success. The ceremony culminated with a vote of thanks.
