

HOUSE ACTIVITY- PRIMARY (18.07.2017)

“MANNERISM”

Mannerism means a habitual gesture or way of speaking or behaving. Good manner means having polite or well-bred social behaviour by the people. Having good manners in life matters a lot. Behaving in well or bad manner is the most important part of the human nature and life.

Keeping this in mind the activities undertaken by students of class III- IV were:

Class III- Students drew pictographs based on collected data of the previous conducted on Day6.

Class IV- Students narrated stories on cleanliness using the collected data and mathematical problems.

Class V could not participate due to their exams.

Throughout the activity, the kids seemed to be very interested and actively engaged. They even tried to imbibe the learning in them.
