

INDO-AUSTRIA STORY TELLING COLLABORATION

“STORYTELLING IS THE MOST POWERFUL WAY TO PUT IDEAS INTO THE WORLD TODAY.”

The Preparatory wing of our school took the initiative of collaborating with an elite school EBGYM Hollabrunn, Austria.

On 18-Januray-2022, a story telling session was conducted by grade 3 to 5 students. The main aim of the event was to develop understanding, respect and appreciation for all other cultures and boosts the listening skills.

The fantastic story narrated by our smart story tellers successfully provoked everyone's curiosity. The perfect voice modulations according to the characters of the story highlighted the mark of a perfectionist. Students exchanged their ideas upon the technique of storytelling. Our friends from Austria also gave an informative presentation about their country. They were so curious to know about our Country. Our students furnished the unique information of various facts about India. Our preparatory Wing Coordinator, Ms. Neha Grover also asked a few questions to make the session interesting. The interactive session came to an end with the motivational words of wisdom by our school Principal, Ms. Alka Sahani. She applauded the efforts of every child.
