

Hawan Ceremony

An auspicious Hawan Ceremony was conducted in the school to seek grace and choicest blessings of God for the candidates appearing for Class XII board examinations. The worthy Management members, Principal, staff and students took part in the ceremony followed by Prasad and a sumptuous lunch for all. The day also marked a break from routine with the students gyrating to foot-tapping music on the latest numbers. The Photo-Booth proved to be a big hit with the students who were seen happily posing with props and accessories. The interaction prior to this witnessed the teachers providing valuable tips for the board exams and respected Principal Mam showering her blessings on the students. The students had a gala time reliving memories of their school years and paying a tribute to their teachers. Here's wishing Best of Luck to our dear students!
