Mathematics Week Celebration

'Pure MATHEMATICS is, in its own way, the POETRY of logical ideas'.

A great week and many learning-with-fun moments were there for all the students. The school celebrated 'Math Week' which focused on developing logical skills among students with fun-filled activities from 4.5.2022 - 13.5.2022. An array of events were conducted with the motive to make learning more enjoyable. This year the school took SUSTAINABLE and DEVELOPMENT GOALS as the theme for the Math week.

CLASS 3

Students worked on selected 5 SUSTAINABLE DEVELOPMENT GOALS. They integrated Math with Sustainable Development Goals in the form of Doodling. Final presentation was given by them on these goals and they made various combinations of numbers to represent it. It was an inter-section competition and two best entries were selected from each section.

CLASS 4

Students participated in Hurdle Race where they had to cross three hurdles in the form of RELAY.

Hurdle 1: They solved Mental Maths questions.

Hurdle 2: They solved Jigsaw puzzle based on SDG goals.

Hurdle 3: They were asked to create a given art piece using tangram pieces.

They were marked on the basis of marks scored in all the hurdles + Time taken

CLASS 5

The students prepared a board game incorporating SDG goals and mathematics. Students from each section moved to other sections and played the game prepared by them.

All the students participated with great zeal and enthusiasm. The week turned out to be a great success and a fun filled learning experience for all the students.

RESULTS ARE AS FOLLOWS

CLASS	1 st	2 nd	3 rd
3	3 rd A	3 rd D	3 rd B
4	4 th A	4 th B	4 th D
5	5 th A	5 th C	5 th D
