

DAY 6-HOUSE ACTIVITY (19 JULY 2019)

In this house period Spontaneous Activities (HANDS-ON) were held.

In class 3, students used old newspapers and created "Things that represent **NATURE**"

In class 4, students made a movable vehicle using old box and explained it.

In class 5, students made a movable vehicle using old box and explained it.

They turned out to be brilliant workers and used their potential to create various things.

Their teachers also applauded them for the same.
