

## 3 B ASSEMBLY

*Theme of the assembly - Importance of reading*

It is truly said "Today a reader , tomorrow a leader ".

To inculcate the value of reading in students, Class 3 students presented their assembly on the theme ' Importance of Reading '. After the news and the thought of the day, the students shared some interesting facts about reading. After that, a play was presented on DEAR period, which has been recently added to the school's schedule. It is about ' Drop everything and Read ', where students are given time to read the books of their own interest. At the end, all the students danced to the tunes of ' I'm gonna read a book today ' . All of them wore a book badge to depict the value of reading and to encourage others to read.

The class teacher added to the thought of reading by expressing her ideas and shared time management to read. She adjured the students that if they read regularly, they will surely see change in themselves. In such a case, their vocabulary, speaking skills , and personality traits will be groomed.
