“Education is our passport to the future, for tomorrow belongs to the people who prepare for it today.”

An interactive session was conducted by the Wing Coordinator, Ms. Sapna Sharma on 11th April in the school premises for the students of grade 3. The session was organized to welcome the tiny tots from foundational to preparatory wing. They were given an insight about the curriculum and teaching methodologies to be followed in the school. They were also acquainted with some important dates, regulations, uniform, school timings, clubs, houses, sports facilities and other vital information related to the functioning of the school. The students were also enlightened about the vision, mission and theme for the year. Significant information related to the examination and the assessment structure was shared. Also emphasis was laid on the focus of the school to provide a holistic education with time-tested traditions and strong sense of values being imparted to the students. This orientation session was aimed to imbibe a sense of commitment and responsibility amongst the students for a progressive year ahead. The session ended on a positive note with the new students being welcomed into the preparatory wing. It was an informative and interactive event. We wish them all the best for their future endeavours.
