Synopsis of Teacher Talk

The class teacher interacted with the students in an interesting session. He asked the students about their habits of self discipline and the problems they face while going on in this path. His true and motivating words helped the students to learn more about the term and the features that they can adopt and modify to curb the habit of indiscipline. Moreover, he also told that, Self discipline means self control, which is a sign of inner strength and control of yourself, your actions, and your reactions. Self discipline gives you the power to stick to your decisions and follow them through, without changing your mind, and is therefore, one of the important requirements for achieving goals.
