

# MOCK DRILL

20 April 2022

The objective of School Safety mock drills is to develop competencies of the participants to various forms of disasters through preventive activities, tasked to conduct safe evacuation during a disaster. Thus, to ensure safety of children in disasters and also to promote faster rehabilitation post disaster MAPS conducted the Mock Drill on 20/4/22. An earthquake drill and preparedness activity was conducted to apprise everyone on how to perform – Drop Cover and Hold-on, a quake safe action designed to protect lives and prevent injuries from falling and flying objects. The main aim of the drill was to build courage and confidence amongst students and develop leadership skills.
