

MATHS WEEK CELEBRATION

Maps middle wing organized different activities on the occasion of the MATHS WEEK CELEBRATION. Every year this school celebrates maths week to promote art integration in mathematics. During this maths week students of class VI had made a beautiful designer jewellery using paper mash. The students of class VII used quilling for making of the designer card and The students of class VIII had made marvellous 'The Warli' painting on T- Shirt and participated in WARLI QUIZ. Mrs Archana Dutt our honourable judge announced the name of the winners and runner-ups. Through these activities students were motivated and felt gaiety during this maths week.
