**TECH GRILL**

**PRE-SCHOOL**

**30.01.2023**

*“Technology can become the wings that will allow the educational world to fly father and faster than ever before-if we allow it.”*

With the aim of factualization of the above quote, a quiz contest titled **“TECH GRILL”** was organized in MAPS for the students of preschool to impart knowledge about computers and technology. The little agarsainians participated with great zeal and zest. This contest helped in enhancing their technical skills and critical thinking skills.
