Objectives:

1. To enhance creativity among learners
2. To explore theme-based art design.

Making Posters: Mass Surya Namaskar Performance

The students of Cambridge Wing of Maharaja Agarsain Public School designed creative posters for the mass Surya Namaskar performance. The badminton court, where the event was held, was adorned beautifully with colorful posters. The artworks employed Mandala Art, pen drawing, silhouette sketching and zentangle art.

Learners enjoyed immensely as they made their creative art pieces, spilling their brushes and creative minds on the canvases.
