

ANNUAL TRIP (CLASS 3-5)

The most awaited day of the year always remains the annual school picnic. A picnic is an event to eat outdoors, have a break, enjoy the warm sunshine, and have fun in a free time. In the session 2019-2020, students of classes 3rd to 5th went to Oh Max, Greater Noida for their picnic on 23rd November.

Oh Max is the India's largest indoor theme park. There are almost ten activities which were thoroughly enjoyed by the students as well as teachers. We started ahead at 8.30 am with a feeling of great day. The students were really excited and kept on enjoying themselves in the bus till they reached the venue. Their volunteers were already waiting for us at the gate. A delicious breakfast was also served with the welcome drink. Then the activities began. From a chance of meeting dinosaurs in the dino park to a visit to the sealed resting place of Mumtaz and Shah Jahan in the secret chambers of Taj Mahal, seeing the sunken Titanic, learning how to make chocolate in the chocolate factory, searching their way out of the mirror maze and solving the three level obstacle -everything was enjoyed by the kids under one roof. They were served with the delicious lunch and ice-cream. Many photographs were also clicked.

By the end of the day, they found this picnic as the most memorable one.
