

ASSEMBLY REPORT

CLASS -2C

Date:-09.05.17

Topic- 'International Day of Families'

**Family is not about blood. it's about who is willing to hold your hand
When you need it the most**

This year's observance of the international day of families focuses on "Families education and wellbeing". Hence with an aim to highlight the Importance of knowledge and skills needed to promote sustainable development Class2-C conducted the morning assembly on the theme **'International Day of Families'** on 9.05.17. The students of the class began with the prayer, thought for the day, which was followed by couple dance on **happy family** song, and the purpose of the celebration. After that students spoke various quotations. Each of them was well supported by banners and props. The thought and the theme was very well depicted by the students through relevant information given and meaningful songs. It was followed by Ramp walk of different families of countries joining hand together on this day. Poem recited by the young Agarsanian was an enjoyable yet memorable experience for the performers as well as the spectators. Such assemblies work as a unifying force and every student realizes that he/she is a part of the school community.
