'The English Language is the accretion and growth of every dialect, race and range of time, and is both the free and Compacted composition of all.'
A great week and many learning-with-fun moments were there for all the students. This year the school took SUSTAINABLE DEVELOPMENT GOALS as theme for the English week.

CLASS 3

Students worked on selected 5 SUSTAINABLE DEVELOPMENT GOALS. They have drawn their symbols and framed a story on each goal. Final presentation was given by them on a goal and the story they framed on it. It was an inter section competition and two best entries were selected from each section.

CLASS 4

Students were being told the 17 sustainable development goals. Various videos were shown to them and they got an opportunity to frame a story from any of the goals. They made a book with the cover page on their chosen goal. They also wrote the plot, names and adjectives of the famous characters of their stories. They discussed and wrote the problem and solution that they have showed in their story. At the end, they even added a sheet to their book by writing their input to achieve the goal.
