

## NAME OF THE ACTIVITY

### CLASS XII

DATE OF THE ACTIVITY: JUNE 21,2021

**BRIEF SUMMARY OF THE ACTIVITY:** Students got an opportunity to explore the world of opportunities. They explored how students around the world are exploring their skill sets and using them to make a niche for themselves.

Students were divided in groups of 6 to make a presentation where they were asked to do the following tasks

**Task 1:** Explore 5 students (of age 15-25) who are earning using any social media. Choose different stars of You tube, Instagram, Snap chat, Bloggers, or any other social media. Give a write up on when they started and what is their earning.

**Task2:** Using the information collected Create matrices of these students of their Earnings, Total views, Total Subscribers.

**Task 3:** Explore students who are earning on two or more social Medias and using addition of Matrices Express their total earnings, Total views, Total Subscribers from two or more social Medias.

**Task 4:** Identify 2 students of your school or alumni who are earning using social media. And express their information in terms of matrices.
