

## MORNING ASSEMBLY OF CLASS III F (03.10.2018)

After the morning prayer, the students of 3 F got the golden opportunity to present their morning assembly on October 3rd, 2018.

One of the students shared news headlines. Another student briefed everyone about the meaning of mother tongue and its importance through a short speech as it was the theme of their assembly. Later, students performed a skit related to the theme. The students also used slogans and quotes related to the role and importance of mother tongue in our lives. They also shared a poem in a group using actions to make the message clear to everyone present. The entire class participated in the poem recitation.

All the students participated and contributed with great zeal and enthusiasm.

After the assembly was over the class teacher asked few questions related to the assembly. Students from other classes participated well while answering and showed that they have understood the message of the assembly.
