

# 3-DAY TEKIE WORKSHOP

Maharaja Agrasain Public School organized a 3-day Introduction to Coding Workshop on 5th, 6th & 7th Feb in collaboration with Tekie for classes 6<sup>th</sup> -10<sup>th</sup>. The students were introduced to What is Python Language!

Tekie is a super intuitive coding platform with the world's first educational series built by a team from Google, Intel, Microsoft, Amazon, IIT Delhi, IIM Ahmedabad & NITs. Tekie brings the art of storytelling to make learning a movie-like experience & have designed a curriculum to help children master the basics of coding.

The students gained an insight on the basics of programming and uses of python in applications.
