

‘TED TALK: A WAY TO EXPRESS YOUR THOUGHTS FREELY...’

What’s a ‘**Talk**’? A talk is a conversation, done between two souls, on any of the general topics, without any hesitation. A ‘**TED Talk**’ is also the very same type of talk, but the only difference is, that its '**inspirational**'. The thoughts in a **TED Talk**, come truly from the **heart** of the speaker, with the motive of creating a **special bond** with the audience...

TED Talks are a platform, where both the speaker and audience get a **win-win** situation, because the speaker gets to express himself and his valuable teachings, and the audience takes the **most** of it.

In the same way, on 6th August, Tuesday, Mannat Kaushik of Cam 6, and Himall Garg of Cam 7, of Maharaja Agarsain Public School; a Cambridge International School, Phase-IV: Ashok Vihar, New Delhi, **embarked** on their journey of presenting a **TED Talk**, based on **unique** topics, in the class assembly of Cam 9, in front of the **Cambridge** wing of their school.

This session was held, so as to **empower** the minds and **energize** the souls of the keen learners, just as the **school motto** says.

In this session, the main **pillars of success** were told to the children:

- **S: See your goal**
- **U: Understand the obstacles**
- **C: Creating a positive environment**
- **C: Clear the clutter of the self-doubts inside**
- **E: Embrace and welcome the chance happily**
- **S: Stay on the track**
- **S: Show the world what you are worth and capable of**

At last, the **Cambridge administrator, Ms. Jharna Pradhan**, and the **Vice Principal of the school, Ms. Alka Sahani**, spoke their **valuable** words, and **appreciated** the children's efforts and added on their **golden** thoughts, too.

So, this session didn't only act as a good **exposure** for the children, but it also made the children **realise** the **importance** of **hardwork** and **grit** in their lives, and what LIFE actually is...
