

REPORT ON "ADMATAZ" -30.08.2016

THE IDEA WILL NOT WORK UNLESS YOU WORK THE IDEA

Stage exposures are the best way to build confidence and help kids to express their feelings. To boost the confidence of our tiny tots a brilliant idea was organized into the competition "Admataz". Students presented an advertisement which conveyed a message appreciated by all. Children beautifully expressed their thoughts. They dressed up nicely and used attractive props to support their content.

And the winners of the competition are:-

TANISHA RAJPUT P.S.C - I

GAURI P.S.F - II

SANCHI SHARMA P.S.A - III
