

## ***ANNUAL ATHLETIC MEET***

*True Sportsmanship is Excellence in Motion!*

Discipline, Competition, Recognition- the essence of these words can truly be extracted in the life of the students by conducting Sports Day in schools. MAPS also announced 5-days Annual Athletic Meet 2018, a platform to provide students opportunities to attain the skills and knowledge to be physically active as part of a healthy lifestyle. The meet was declared open by the principal of the school, Ms Punam Gupta. The event commenced when our young tots of Pre- primary participated in Toon Race. The smiles on their faces filled colours in the air.

***Let the fun be continued in the coming days ! Athletic Meet #Day1***
