

**MORNING ASSEMBLY CLASS 1-C**  
**TOPIC- WORLD FOOD DAY**  
Date: - (11.10.17)

*If we could stop wasting food, imagine how many more people we could feed*

Class 1-C conducted their assembly on 11th October 2017 on the topic - World Food Day, highlighting the need to support the fight against hunger and food wastage globally. This day is celebrated on 16th October around the world every year. The presentations began with the thought for the day, followed by speech, poem, slogans which were well supported by banners, a small skit highlighting the wastage of food, song and some useful tips to avoid wastage of food.

The assembly came to an apt end with a pledge that we must not waste our food and spread the message of food security and hygiene. At last, the class teacher gave a meaningful message on importance of food to enlighten the students. Every student enjoyed the presentations and learnt the value of food and why we all should respect it. All the presentations were well supported by adequate props, banners and a Power point presentation.
