

ASSEMBLY REPORT
CLASS – PRE PRIMARY E
DATE- 11.11.19
THEME ‘STAY HEALTHY, STAY FIT’

Children these days are too much inclined to eat more of junk food and less of healthy food. They don't realize that junk food will not make them healthy rather it will make their mental and physical growth slower. With a focus on this important paradigm, an assembly was conducted by the students of Pre Primary - E on the theme 'Stay Healthy, Stay Fit'. The students performed a skit with confidence, conveying the message of making a choice to practice only good eating habits. And apart from that, regular exercising, practicing healthy habits and playing outdoor should also be incorporated in the daily routine. Students also tapped their feet in the tune of Stay Healthy Song tapped their feet in the tune of Stay Healthy Song. Audience was mesmerized by the performance and appreciated the same.
