RHYMES

The Needs of a Plant	तितली रानी
For a plant to stay alive It needs 5 things I would not lie... It needs water , so it can grow. And it needs soil , just like so.... Plants need space , they cant be tight. The sun helps plants by giving light. Don't forget to give plants air Repeat the needs if you dare. Need 1 – water Need 2 – soil Need 3 – space Need 4 – light Need 5 – air https://www.youtube.com/watch?v=dUBIQ1fTRzI	तितली रानी , तितली रानी , इतने सुन्दर पंख कहा से लाई हो । क्या तुम कोई शहज़ादी हो, परीलोक से आई हो ? फूल तुम्हें भी अच्छे लगते, फूल हमें भी भाते हैं ! वो तुमको कैसे लगते जो फूल तोड़ ले जाते हैं ! https://www.youtube.com/watch?v=-ghQ7K-FpOE
