“Winners are not those who never fail but those who never quit.” - Dr. A.P. J Abdul

With a nation wide participation of 34 schools from different states, AURA -The Inter School Fest proved to be a grand and illuminating event. The theme of the scavenger hunt revolved around 'Restoring Wellness'. The event began with an amazing inaugural ceremony with lamp lighting and harmonious Ganesh Vandana. The students of MAPS showcased electrifying and brilliant cultural performance for the participating schools. A plethora of activities were planned for all the classes. The events were a fusion of talent, imagination, creativity and alertness. Participants left everyone awe-struck as they presented their talent so immaculately and effortlessly. They also praised the efforts of the School and teachers for organizing such fun filled activities with poise.

All the participants were facilitated with e-certificates for their outstanding and brilliant efforts. By winning rolling trophy
