

AURA'17 (AN INTERSCHOOL COMPETITION) 28.10.17

In an effort to unleash the talent of young minds and exhibit their caliber, the Annual Interschool Competition AURA 2017 was held on 28.10.17. This year's event was 'Treasure hunt' based on the theme SUSTAINABLE GROWTH. Different competitions and activities challenged the participants to think out of the box while also being quick on their feet right from class Nursery till class 12th including four On-line competitions for the Cambridge wing. Different interesting games were also organized for escorting teachers.

30 schools across Delhi participated with energy and enthusiasm in the mega event. Bal Bharati Public School, Maxfort School, Montfort school are some of them. All the students of participating teams amazed the judges with their exclusive and high energy performances. MAPS being the host school did not compete, though it made an outstanding performance in each competition. The prize distribution was followed by orchestra and mesmerizing performance by tiny tots. The winning teams were conferred with trophies for their splendid efforts. MONTFORT SCHOOL, ASHOK VIHAR bagged 'Rolling Trophy' for participating in the maximum number of events and winning laurels. Overall, we all once again witnessed various inspiring performances by hundreds of students from different schools. 🌟
