

ANNUAL PICNIC OF CLASS - V, VI & VII (29.10.2018)

A picnic is an event to eat outdoors, have a break, enjoy the warm sunshine, and have fun in a free time. This year the students of MAPS enjoyed their annual picnic with the rich Indian culture and heritage. They got the first-hand experience of the same. They went to DIVYA JYOTI JAGRATI SANSTHAN on OCTOBER 29th, 2018. It was founded by SHRI ASHUTOSH MAHARAJ JI. It was a cultural connect by SAM.

It was a powerful youth engagement program to awaken, inspire and transform young mind of Agarsainians. There were many volunteers, united for a single cause of social re-engineering. It provided a creative and engaging platform where-in students got an opportunity to discover their potential, maximize their efficiency and channelize their efforts for social welfare. The students understood the importance of protecting the environment through various fun-filled activities, stage performances and nature walk. A variety of creative avenues were opened for them such as pottery, Cowshed, their own kitchen where they made food for themselves, they also dressed them in different ethnic attire and got their pictures clicked. All this enabled them to develop their talents and showcased them. They also experienced to eat their food which was served and prepared by SAMS volunteers.

The motto of this picnic was to make the young generation torch-bearer for generating awareness. The students thoroughly enjoyed their day and learnt various things. It was complete entertainment for them.
