

CAPACITY BUILDING PROGRAMME

Science is a dynamic , expanding body of knowledge covering ever new domains of experience. Recently, a Capacity Building Programme for Secondary Science Teachers was held on 23rd Dec. and 24th Dec. 2016 in Maharaja Agarsain Public School Ashok Vihar. This workshop was conducted by the resource person Mr. G.S. Mishra and Ms. Deepali Panwar from CBSE. More than 70 teachers from different schools attended the workshop. The workshop covered various features like

NCF, Bloom's taxonomy, Framing of relevant questions and the marking scheme . Various activities were conducted and it was a great learning experience for teachers. We are grateful to CBSE for giving us an opportunity to conduct such fruitful workshop in our school premises.
