

CHIDREN'S DAY -ADVENTURE CAMP

14.11.2018

"Every child is a gift of nature

Give them their today,

Give them time to play,

And make way for their future."

MAPS organized an 'Adventure Camp' for Pre-School, Pre-Primary & Mont. children on 14th November, to give them abundance of love, joy & fun on their special day.

Children were engrossed in numerous activities like Burma bridge, military crawl, commando net, rope ladder climbing, spider's web, flying fox, zorbing, puppet show, trampoline, pit jumping, tent pitching, D J. etc. . Children were so happy and it was clearly reflecting in their smile. Despite being busy throughout the day, they were not tired at all. They wished the day didn't come to an end. That was an achievement for us that we were able to make our kids happy and make it a memorable day for them.
