

CHRISTMAS CUM MATHS DAY CELEBRATION

Nursery wing

Date:-23.012.2017

The Nursery wing celebrated Christmas with a festive spirit on 22 December in the school premises. The celebration started with a special assembly. The students enthralled the audience by exhibiting their talent through songs and dance performances. Cake was distributed to all after cake cutting ceremony. Keeping with the Christmas spirit, the Nursery classrooms also decked up with colourful bells, stockings and stars, created by the children. To explore the creativity of the students, the Santa Making activity was done in the classes.

The great Mathematician Srinivasan Ramanujan's birthday was also celebrated on 22 December as a National Mathematics Day. To celebrate the day Mathematic kit activity was arranged in the classrooms. The Vice Principal, Mr. Amit Bajaj, shared the information on the significance of Christmas and Mathematics day. It was a fun-filled day for kids.
