Hearty Congratulations!

The session past has witnessed the institution going from strength to strength. Three of our students with their 2 science projects will represent India at ISEF 2017 (International Science & Engineering Fair) to be held at Los Angeles, USA. This will be our 7th participation at ISEF and the 4th consecutive one. Our efforts have borne fruit as our institute is ranked 6th by The Times of India in the Challenger category out of hundreds of schools of NORTH Delhi. Also, the school bagged the ‘Schools with Best Innovative Practices’ and ‘Top Schools Implementing PBL Methods’ awards by Brainfeed Magazine under the ‘School Excellence Award 2017’. It is a matter of pride that the school received the prestigious Rolling Trophy and a cash award of Rs. 15000/- from Delhi Traffic Police for creating awareness about Road Safety. Agarsainians have once again proved their mettle in various fields by winning accolades at zonal, state and national level.
