

Fun and frolic at Agarsain Carnival

To celebrate the spirit of benevolence, the school organized '**Agarsain Carnival**' on December 25, 2016. From exciting games, lip-licking delicacies, foot-tapping music and cultural extravaganza, there was

something for everyone to guarantee hours of fun. FunMazaa.com, Rockstar and Goblet of Fun were few of the intriguing game stalls put up by the students and were huge hit with the revellers. Talent Hunt Competition witnessed the zealous participation of the students who bagged prizes for their

captivating performances. The school also gave away spectacular prizes in the Lucky Dip contest which included Apple iPad, bicycle and Bluetooth speakers. The Christmas carnival was an extravaganza of food, games and dance performances that were relished by everyone. Both the teachers' and students' hard work left nothing to be desired. The Agarsain Carnival successfully realized its dual purpose of fun and charity.

Hearty congrats to the winners of Lucky Dip!
