

TURN AROUND NUMBERS

Date- 10.10.18

Numbers are the highest degree of knowledge. It is knowledge itself.

---Plato

Numbers are mathematical objects used to count, measure, label order and for codes. To solve our daily life problems these numbers helps a lot. Keeping this in mind the students of class were given opportunity to roll their dice through the activity "Turn around numbers."

Each child got the chance to add, subtract and expand numbers through dice. It was a mind mapping activity to enhance their mental maths. Students were vigorous and they responded to their numbers very prompt.
