

**CLASS-2 DAY -6 ACTIVITY**  
**TOPIC-DELIGHT IN SOVEREIGNTY**

**DATE - 14.08.2017**

Independence Day, our National festival, is celebrated with great enthusiasm all over India.

The students of class 2 were very delighted to participate in the Day -6 activity, before the Independence Day. They made beautiful tricolor bands using origami sheets and ribbons of saffron, white and green colour, which reminded us of our prestigious tricolor national flag and our sovereignty.

Then the students tied their bands to each other and were very excited.
