

‘Dance Elite’

“Dancing is creating a sculpture that is visible only for a moment.” - ErolOzan

A Solo Prop Dance Competition- ‘Dance Elite’ was organized at MAPS for the students of class Pre Primary on 27th October 2021. The theme of the competition was ‘Prop Dance’ which were handmade. All the students shared their dance performances on Padlet and the selected 5 best participants got a chance to perform LIVE on ZOOM. The competition began with great zest and excitement. The participants were dressed in colourful costumes, twirled around and set the stage on fire with their thrilling performances. The attractive costumes, fluid dance movements, and fascinating props made it tough for the judges to decide the winners. They also appreciated and congratulated the students for their amazing Dance performances. The judgement was done on the basis of selection of song/music, choreography, costumes and props.
