

CLUB ACTIVITY – PRIMARY (13.10.2017)

"Cleanliness and good sanitation in schools is a matter of high importance " - Narendra Modi.

Following the path set by Mahatma Gandhi and Shri Narendra Modi, the clubs of Maharaja Agarsain Public School conducted a cleanliness drive in school, where the children with dedication joined hands to clean their surroundings. Inspired by the quote cleanliness is godliness all students worked together in cleaning the entire school. The students not only cleaned their classrooms but also the corridors to make sure they achieve their aim and ended by a pledge promising to keep their surroundings neat and clean.

On the other hand, Saviour Club also organised a rally on the topic 'No Use of Fire Crackers'. The senior and junior Green Buddies spread awareness among peer groups through placards with slogans, that we should celebrate Diwali without crackers and make the environment pollution-free.
