

DAY 6 ACTIVITY (CLASS 2)

(13.1.2020)

THEME: MAKING OF CUP TOWER

Students of class II performed day six activity by making a cup tower. Students were divided into the group with max of 5 students in a group. Each group was provided with 10 cups and few erasers. Each group was to make a tower using the cups. On the top of the cups students further raised the height of the tower by balancing as many erasers as they could. Class-2 students had a hands on experience in improving their balancing skills. Students were very enthusiastic and gave their 100% participation.
