

PRESENTATION WEEK-

DIGITAL AGARSAINIANS

paytm

PRE PRIMARY

Digital- Our world revolves around this word now. We are living in a gadget driven world. To be smart and updated, we deal with them and use them every day. So as our Pre- Primary students were given an opportunity to speak about gadgets through 'Presentation Week'- Digital Agarsainians from 24 to 27 July'18 . As per theme our young ones depicted as smart watch, ATM, Laptop, Smart phones and many more. The motto behind to keep this presentation was to make the students aware of technology as well as to help them present themselves confidently on stage. It was an interesting and knowledgeable successful week.
