

DISASTER MANAGEMENT TRAINING SESSION

Evacuation drills are vital and critical for ensuring the safety and security of the students and staff in every school. MAPS in collaboration with St. John Ambulance Brigade conducted a First-aid training program on 27th July 2018. A team of 15 officers presided over the event. Dr. T.C Gupta (Deputy Commissioner) from ST. John's Ambulance Brigade commenced the session and apprised the students about their vision to provide experiential contemporary training and service with a deep rooted value system to the victim to emerge as avid learners and responsible global citizens. The session equipped the students with useful strategies of evacuation through demonstration by the team members. The objective of this training was to ensure that all students and staff members are prepared to respond in the event of an emergency. The session proved to be beneficial in preparing the young minds for being cautious in times of disaster .
