

DIWALI CELEBRATION

Date: 05.11.2018

Diwali - the festival of lights, gives a message to spread light and happiness in each one's life.

Nursery wing celebrated Diwali with great zest and zeal. Students did some colorful preparation to celebrate the day like paper folding diyas, torans, lanterns and rangoli patterns etc.

A special assembly was organized for the Pre School & Pre Primary students to mark the occasion by offering prayers to Lord Ganesha & Goddess Laxmi. A skit was presented to create the awareness for celebrating a pollution free Diwali. A foot tapping dance performance was an icing on the cake. Little ones had a class party to enjoy the spirit of festival and wishing each other a very happy & prosperous Diwali.
