

DUSSEHRA CELEBRATION

15.10.18

India is a land of spiritualism and Ramayana has been able to exert a great influence on the life of people. It teaches us what life ought to be.

In MAPS, Dussehra was celebrated and students were shown a musical drama on mythological Ramayana but with its new version. The Ramayana deals with the various aspects of one's life- love , duty to superiors , treachery , devotion to parents, selflessness and so on. But do we actually follow these traits now-a-days too. But are these actually followed in present day too. Our young talented students of Classes Pre-Primary, 1, 2 & Mont. showcased the new modern society where the new modern society where men overpowers women physically & mentally, a broader point of view/mindset of today's young generation , disrespect for teacher's & parent's , corruption and many more were depicted in aaj ki Ramayana. Now we need to awaken Ram in ourselves and to destroy or kill the evil in our own personalities , so that we can set an example for our upcoming generations. Last but not the least, dandiya is performed in Navratri to honor Goddess Durga was the perfect conclusion of the show.
