

Day 6 Activity Class 1

Date: 11.7.19

THEME: THINKING BUBBLES

“Building a good vocabulary helps to express one self.”

Class was divided in the groups of four each. Each group was given a chit with a word written on it. Clues were given by the group members to guess the vocabulary words. All the kids enthusiastically participated in the activity. They followed the instructions and made sincere efforts to think and tell the related words. They were really excited and motivated to think and speak which helped them to enrich their vocabulary.
