

Day 6 Report
COMMENCEMENT OF HOUSE
Class – 1

Coming together is a beginning, staying together is progress, and working together is success.

—Henry Ford

Commencement of Houses in MAPS began on 09.04.18. The students of class 1 were introduced to their house names and colour associated with them. The House names are **Equality, Purity, Fraternity, Austerity, Prosperity and Liberty**. A House Captain was chosen for each house and thereafter, the rights and responsibilities of the House captain was explained and discussed. This whole procedure of interaction with the children was very fruitful. It instilled a feeling of pride and responsibility amongst them.
