

Diwali Celebration

25.10.2019

Diwali, the festival spiritually signifies the victory of light over darkness, knowledge over ignorance, good over evil, and hope over despair. To make the students understand the importance of Diwali, MAPS celebrated Diwali with a raft of activities from decorating old CD's to make diya to rangoli making, from making beautiful hangings to decorating classrooms. A special assembly was conducted which beautifully depicted how harmful crackers are and instead of wasting money on crackers, the needy people could be helped.

Dance performance also added colors to the festival. Different stories related to Diwali were narrated and shown to the students through video presentations to make them understand the reason to celebrate the festival. Both teachers and students celebrated Diwali wholeheartedly and emphasis was laid on celebrating **GREEN DIWALI**.
